SYNBIOTIC FORMULA OF OPTIMIZING A GOOD GUT FLORA

ECO BIOTA – synbiotics formula (the synergistic combination of Probiotics and Prebiotics) supports beneficial gut microbiota for gastrointestinal health.

ECO BIOTA synergistically combines three superior strains of Bifidobacterium/Lactobacillus and prebiotic anthocyanins of Ribes Nigrum, of which four ingredients of Synbiotic are clinically studied to support:

Recommended Use: Take 1 enteric coating capsule twice a day with water with meal, or 30 minutes before meal.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
